

Galatians Chapter 1

God uses our past and our present to bring Him glory in the future!

*God's grace is everything we need for salvation and acceptance!

(What is the Gospel I speak to myself?)

*God's timing is always perfect, maybe not pleasant, but always perfect! Yeah?

(What am I waiting on God for?)

*God's approval is all we need!! Yes Yeah!!!

(Who's acceptance/approval do I sometimes seek?)
